Mr. Stone teld to-day the whole story of a remance begun in the rosy light of Behamia and shattered in the gray fog of conjugal infeligity. He explained his views on that "sex antagonism" which had served to sunder the bonds between himself and his wife after three children had come to coment the union. He did this dispensionately, seriously, like a man who would set up danger signals over the shocks in the uncharted marital sail track for others to read. marital sail track for others to read He nitmelf believed he has plumbed the shoal which wrecked him.
